2024 UQ Sporting Scholarships and Elite Athlete Program

2024 UQ Sporting Scholarships

The University of Queensland (UQ) offers exceptional opportunities for elite-level student-athletes to perform at their peak, while gaining a world-class education at a top-ranked global university.

New and continuing students who are academically gifted, and have demonstrated exceptional ability in their chosen sport, can soar to even greater heights with a UQ Sporting Scholarship.

Delivered by a dedicated team at the UQ Sport Elite Athlete Program, the UQ Sporting Scholarship program provides significant financial and academic assistance to student-athletes. Recipients also enjoy access to a wide range of professional services, and facilities at Queensland's largest multi-sport complex.

- Undergraduate or postgraduate coursework program
- \$24,000
- Up to 4 years
- Australian citizens only.

UQ has been exceptional at providing financial assistance and support in navigating through my degree with alternative arrangements. The team at UQ Sport has assisted me with the resources I need to succeed, such as sitting examinations off campus when interstate competing in my sport. Being awarded the scholarship is a great honour, and being part of such a prestigious group of athletes is truly empowering.

Claire Colwill

Bachelor of Clinical Exercise Physiology (Honours), Hockey

Support and Benefits

UQ Sporting Scholarship recipients enjoy an array of academic benefits, including flexible study options, tutoring, priority class sign on, and special consideration for deferrals and extensions.

Guided by devoted Elite Athlete support staff, students can participate in personal development and athlete workshops, access career and employability support, and attend induction and networking events.

In addition, Scholarship athletes have opportunities to compete for UQ in national and intervarsity competitions, and can apply for up to \$1,500 Competition Subsidy funding per year to assist with out-of-pocket competition fees.

2024 Elite Athlete Program

The University of Queensland is an endorsed member of the Australian Institute of Sport (AIS) Elite Athlete Education Network (EAEN). Endorsed members of the EAEN are committed to supporting eligible student-athletes balance elite sport with study.

The UQ Sport Elite Athlete Program supports around 250 elite-level students – including Olympic, Paralympic and professional athletes – that receive Elite Athlete Status from the University.

Elite Athlete Program Benefits

- Priority class sign on and timetable support
- Flexible study options (assessment & enrolment)
- Designated Elite Athlete support staff
- Free UQ Sport Gold Membership
- Personal development workshops
- Athlete Networking events
- Competition subsidy for eligible out-of-pocket competition expenses
- Access to alternative assessment arrangements
- Deferred examinations.

Eligibility

To be eligible for Elite Athlete Status, students must be representing Australia or a State or Territory of Australia in a supported and recognised sport by Sport Australia. Students who fall outside of this definition may still apply however the decision will be at the Academic Registrars discretion.

Applications must include supporting documentation verifying current state or national representation and upcoming competitions in the semester period for which you're applying. Supporting documentation must be provided by a state or national sporting authority.

Supporting documentation must be in PDF format on an official letterhead, dated (within 30 days) and signed.

I am grateful for the university's recognition and support for my academic and sporting pursuits through this scholarship. Thanks to the supportive staff at UQ Sport, I have managed my training schedule around my classes with reduced stress on balancing my study workload. The scholarship I received has been instrumental in recognising me as an elite athlete. As a result, I have benefited from deferrals and timetable adjustments, which have been invaluable to my success in and out of the water. I strongly recommend applying for a sports scholarship if you are a student-athlete to receive financial support, recognition, and flexibility in your studies.

Robert Thorpe

Bachelor of Psychological Science
(Honours), Swimming
